Mr. Johnson,

On behalf of both our national and Nevada state members, the Log Cabin Republicans of Nevada is proud to endorse your candidacy for election to County Commissioner, District F for Clark County, Nevada.

Log Cabin Republicans is the nation's original and largest organization representing LGBT conservatives. We believe in the Republican principles of limited government, a strong national defense, free markets, low taxes, personal responsibility and individual liberty.

It is clear to us that you are the only candidate (Republican or otherwise) in this race with a long and public history of defending the taxpayer and exposing government waste. Our members were also particularly impressed with your desire to lead by example in building a bigger tent for the Republican Party. For these reasons, our members feel that you are the best candidate for Clark County Commissioner District F.

We are pleased to see a new generation of Republican candidates arise that represent our core values. You are one of these rising stars and we look forward to seeing your efforts to improve and grow our great State of Nevada. We look forward to our continued relationship.

Sincerely,

A handwritten signature in blue ink that reads "Ed Williams".
